WHEREAS, the [Applicant Org Name] applied for funds from the Trust (hereinafter “Trust Funds”) to provide opioid abatement services as proposed in [project name] in the area of [Approved Use] and has been approved for receipt of Trust Funds; and

NOW THEREFORE, in consideration of the mutual covenants set forth herein, it is agreed by and between the GEORGIA OPIOID CRISIS ABATEMENT TRUST (hereinafter the “Trust”) and [Applicant Org Name] (hereinafter “Contractor”) and (collectively, the “Parties,” and individually, a “Party”) as follows:

1. NON-ASSIGNMENT

This Contract may not be assigned, in whole or in part, to any other person or entity, nor pledged as security or collateral for any obligation or debt of Contractor, without the express written permission of the Trust’s Executive Director or Trustee. Further, subcontracting by Contractor to a subcontractor shall not be permissible without prior written approval from the Trust. If subcontractor(s) have been approved by the Trust prior to execution of this Contract by both Parties, such agreement will be listed in Annex A which is incorporated herein by reference.

2. GOVERNING LAW AND VENUE

This Contract is deemed to be made under and shall be construed and enforced in every respect according to the laws of the State of Georgia. Any lawsuit or other action based on a claim arising from this Contract shall be brought in a court or other forum of competent jurisdiction within Gwinnett County, State of Georgia. Furthermore, the Parties consent to jurisdiction and venue in the Superior Court of Gwinnett County, Georgia, and hereby waive any defenses or objections thereto, including defenses based on the doctrine of *forum non conveniens*.

3. SERVICES TO BE PROVIDED BY CONTRACTOR

A. INCORPORATION OF DOCUMENTS

Contractor’s Grant Application and any documents referenced therein is incorporated into this Contract by reference and forms an integral part of this Contract. In the event of a conflict between the language of Contractor’s Grant Application and Annex A, the

language in Annex A shall govern. In the event of a conflict between the language of this Contract and any other document or instrument incorporated herein, the language of this Contract shall govern.

B. SERVICES/STATEMENT OF WORK

Contractor agrees to provide all of the goods, services, and other deliverables required in Annex A, as those goods, services, and deliverables may be described in further detail in Contractor’s Grant Application and any clarifications or revisions described in the Award Letter (collectively, the “Deliverables”). Without limiting the foregoing, the Parties acknowledge that some Deliverables will incidentally serve some people who reside in other states, such as Deliverables providing the core strategy of prevention and/or education. So long as the Deliverables are targeted toward Georgians and the incidental service of non-Georgians is de minimus, the Parties agree incidental service on non-Georgians will not constitute a breach or default of this Contract if Contractor ensures Trust Funds are not sought or used to reimburse Contractor.

D. CONTRACTORS LOCATED IN AREAS OF QUALIFIED BLOCK GRANTEES (QBGs)

Because the QBGs receive funding directly from the Trust and make independent funding decisions, Contractors located within the areas of QBGs must use its best efforts to provide deliverables to Georgians who reside outside of the QBG in which Contractor’s deliverable site(s) are located. Specifically, if Contractor’s deliverable location(s) are located in the City of Atlanta and/or Cobb, DeKalb, Fulton or Gwinnett Counties, then Contractor agrees it shall take all reasonable steps to provide at least sixty percent (60%) of services to Georgians who reside outside of the QBG in which it is

B. Once an invoice has been approved for payment, the Trust will reimburse Contractor within 30 days.

C. Contractor shall comply with the State of Georgia's applicable policies and procedures to obtain a vendor identification number with appropriate entity, location, and financial information related to this Contract. Contractor shall provide such vendor identification number to the Trust as a condition precedent to reimbursement and will keep the State of Georgia and the Trust updated if such vendor information changes.

D. Contractor agrees it will not invoice the Trust for any item, service, or expense if Contractor's Funds and/or federal, state, or local funds are available to pay for said item, service, or expense. Such other funds shall be utilized, rather than requesting or accepting Trust Funds, for Deliverables and indirect costs related thereto. The Parties agree that so long as Contractor was not negligent nor acted in willful disregard of this provision, the Parties will cooperate with each other to return the Trust Funds in question to the Trust by repayment, offset, or withholding of payment(s) on other invoices.
